President's Update

Good to see that most of the games got played last weekend despite the rain and soggy fields. It's a bit of a shock to the lads to feel water on them when they are playing as it is something that doesn't happen very often.

Moo Poo tickets go on sale very shortly and that will be another big day for the Club. It is our major fundraising day and along with home games and for a laugh we are hoping to have an exhibition match with some of our coaches against an unknown opposition at this stage. Further details will be advised on this a bit later on.

Just on the Moo Poo tickets, its pretty simple to get 3 or so tickets per team and if there are 15 in the team then its only \$20 each for a share in the 3 tickets. Not bad as you then have a 1 in 50 chance of one of your team's

tickets picking up the main prize of \$5000.00. That would cover everybody in the teams rego for 2012 and still have some left over for a good team party at the end of the season.

Home games on both Friday night and Saturday this week with most teams playing at home. We will need assistance in setup, pull down and throughout the day with BBQ, raffles, scoring and duty officials. Come along and get involved.

The Under 8's carnival has been postponed until next Sunday, so we have organised with Helensvale for all 5 teams to have games against their Under 8s at Mudgeeraba this Saturday.

Park and Ride on Sunday and I believe it is the U9s, 12s and 16s turn to supply the volunteers. Round them up

and get their names to Gabrielle Weigel our Managers Coordinator so that we know its all covered.

Lets get some more good results this weekend, Presidents Cup at Southport next weekend and we will be represented by our Under 12 Div 1, Under 13 Premiers and Under 16 Premiers. This is a carnival of footy that you don't want to miss as we will need all the support we can get to cheer the lads on. We will publish the times our teams are playing so that you all are aware.

Hopefully the fields will dry up and we will get some good football this weekend. See you out there.

Cheers,

Matt Kenworthy

Match Reports

Under 6 White V Burleigh Gold

Well Saturday turned on the sunshine and Team White turned on the football. Team White played Burleigh Gold at Burleigh. We played a very strong defensive game with some spectacular tackles being pulled off and some consistent hard work being done by the boys considering the soft fields after all the rain. This week was a turning point for team white with all our boys running the ball up with gusto and confidence, leading to a lot of tries being scored,

we had Jordan Mackintosh, Harry Kittle, Teddy Foster, Mitchell Dix, James Chilton, Thomas McKenna crossing the line.

This week the Foster family had the unenviable task of selecting this week's player of the match and they chose Jordan Mackintosh, for his hard hit ups and strong defence. It was a very enjoyable game that showed a lot of improvement in every boy's game and we can not express how proud of all the boys we are.

After a wet night the grounds were ruled fit for play, so the boys played in what can only be described as a mud bath. The game really showed who wanted to play and a number of our boys got in and got dirty while others seemed to be overawed and took a back seat. The game wasn't a pretty affair and to be truthful the score didn't reflect the fact that we were outplayed, I think the opposition lost the game rather than us winning it. Overall we fell off and at times refused to

tackle and instead waited for them to make mistakes which happened regularly. I think the two weeks off really showed as we relied on individuals to deliver rather than play as a team. Ryan's kicking game was magical as we chased and scored off two kicks, Cooper pulled off some nice covering tackles and had a couple of great runs and to the player who really excels in the mud "Shannon" well done mate you gave 110%. As a team we need to become more united.

PETE & MARTY

Under 10 Red

V Burleigh Maroon

Another good display by the boys against a fairly large Burleigh side, who really didn't have the skill to match our lads. Defensively, we didn't have to do much as we scored most times that we got the ball. Those time we did have to defend saw the Burleigh players being forced back or not making too much ground at all. Most of the boys were getting off the line quickly & it appeared as if they were in a feeding frenzy as they swarmed & attacked the ball carrier. In the last quarter our boys took it upon themselves to kick off when Burleigh should have as they thought they would give

them an opportunity with the ball. In attack we played well, however it is always very difficult to not have selfishness creep into our play in these types of games. We all like to score tries & the lure of getting over that white stripe is very very strong. It was good to see that the boys tried to execute some of their moves that we have practiced at training. Unfortunately, they didn't do it nearly as often enough as I would have been happy with. It is no fun for anyone watching the boys run riot over the majority of the other teams, however as we don't grade in this age group there will always be anomalies such as this which will ultimately

get dealt with in the grading age groups. We do have the carnival at the end of the season & there are some good sides out there that we just haven't met yet who will test us or perhaps even knock us off our own pedestal so, get ready for them players, mums & dads. Remember, there is always someone just around the corner who can be as good, if not better, than ourselves so let's not get too confident, let's concentrate at training & have discipline on the field to do the things that we practice at training. Good work lads another great effort.
Cheers,
MATT, ANDREW, SCOTT & JANELLE

Match Reports

Under 10 Black V Mudgeeraba White

Thanks guys for a great game, I know the Blacks were looking forward to playing against their old team mates from last year & seeing how everyone's skills have developed. It was good to see that the friendly rivalry between the boys produced a great game of footy. Some hard running by the forwards & smart plays from the backs including tries from kicks & good communication between kicker & outside backs. Our boys held the Whites out for the first 5 minutes before turning their defense into attack & scoring the

first two tries, after which our boys went to sleep & allowed the Whites back into the game with a couple of tries before half time. We went into half time with the score very close & the game was still anybody's. We started the 2nd half the same way we finished the first, missing a few vital tackles & allowing the Whites to score, so now we had to play catch up footy. The game continued to be played at each end of the field with some great hit ups by Liam, Reed & Andrew. Jamison had his back line running well with the boys starting to organise themselves & run the ball out

wide. Kye continued to cover his try line in the way which we are used to seeing. Ben showed us he can work very hard in dummy half & his hard work paid off not just for him but for the team. Well done boys, a good effort which we need to continue, not only for games but our attitude at training needs to change so we can take our skills to the next level. Well done to our try scorers Zion (2), Kye, Jamison, Jack & Andrew. Thanks again Whites we look forward to a return match. Thanks Megan, Sean & Adam.

Under 10

Under 11 Conference 1 V Nerang Score: 0 - 16

The boys started the game with a great attitude and showed that they were going to give the Nerang side a run for their money. We were well in the game and things were fairly even until a couple of errors put us under pressure and Nerang crossed for a try and then nothing went right from then on. The boys stuck to their guns and never gave in but the combination of a heavy track and a few DUBIOUS decisions we could not seem to make any ground on the big Nerang side and made the mistake of

letting them come to us and not getting up in their faces early. Good games from Mitchell, Campbell, Caleb around the ruck and our forwards tried hard with Tamati, Thairell, Kye and Patrick putting in strong efforts and I am sure if we can get our timing better they will make more ground and get stronger. Man of the match went to RYAN who played the whole game and had his best game of the year. We still need to work on our passing to improve our speed in getting it out to the backs faster so we can use our speed. Lewis played well and was frustrated at being called out of the play on several

occasions for being offside when he clearly wasn't, as I said DUBIOUS decisions . All in all I was still pleased that we stuck in there till the end and I know we can play a lot better so look out Nerang next time.

Under 12 Division 1 V Currumbin Score: 14 - 4

It was a slog in the wet & muddy conditions for the boys, but they prevailed in the end, despite a spirited display by Currumbin. The wet track robbed us of our speed & the opposition seemed to be inside our line before our 1st receiver had the ball in his hands! We were a bit out of whack with Kaimana 'Spidy' pulling out late with illness & Blake 'Heckle' Redenbach not getting his gear until after the game started. Riley 'Get' Carter from Div 2 Red sat on the line for us after playing his full game in the mud & did well on the field, thanks Riley! Parker 'Thunderbird' Munoz from Div 2 Black also played a full game with us on the wing & did well, thanks Parker! Adam 'Flash' Fitzsimmons swooped on a dropped ball &

looked like Leilani in the mud to score our 1st & only try in the 1st half. Currumbin hit back late in the half to equalise with a try wide out - it was a half dominated by good defence in the conditions. We scored 2 tries in the second half through the human missile, Brenton Sumner, he also received our man of the match award in a tough game. Both tries were pretty special in the conditions & those long legs came in handy in the mud! Well done Brenton in a match winning performance! There were plenty of other good performances, front rowers Kyle 'INXS' Pengelly went well with his ribs still tender from injury & Levi 'Tangles' Dare had a blinder in the 1st half until being replaced, against his old team, Xavier 'X' Toia played a blinder as well, something we needed from the big fellas.

Heath 'Jeckle' Campbell excelled in the conditions & Captain Bodhi Burt played like his namesake in The Professionals, he ran the ball strongly & tackled everything that moved all night. The 2 little fellas, Jacob (M&M) & (Meat) Trae where into everything & they sometimes disappeared into holes on the field! Joel 'Garner' Lonsdale was strong in defence & Reece 'Rhett' Butler also worked hard in defence & ran the ball strongly. Azza Hudson struggled a bit in the wet - unable to ignite that sizzling pace & step of his - wait until we get them on a dry track! A bit stiffer opposition & some lessons to learn boys - a good win in all the circumstances - we will need to lift against Burleigh next week!
JEFF, SCOTT & AL DEVECCHIO

Under 12 Division 2 V Ormeau Score: 28 - 4

Well what a wet night for footy and the boys loved it!!!! With the conditions, it was the little men that did the damage. Man of the match was Mitch (the Rat) Rosenthal, with Billy (BB) Brown, Nathan (Mr Bean) Breen and Bailey (Twinkles) Mahon not far behind. With only a couple of drop balls and good pressure in defence Ormeau never looked like catching us. Ball control

was outstanding with some sweeping back line moves that I didn't even know we had!!!! It must have been the (sticky stuff). Still we have a lot more we have to learn and practice on, but boys you all should be proud on the way you are playing ,its a pleasure to watch. Also a big thanks to Maggot and Doc for stepping up from Div 3 to give us a hand. Congrats to Riley (Ogre) Carter for stepping up to Div 1 for a run.

Thanks,

Our Under 13 Prems had a bye due to the fact that Beaudesert pulled out of our competition after Round 2.

The 1st half of this game looked like it was going to be another game to forget for us. A uncommitted performance from the team saw heads down and a loss of passion. With 4 big Polynesian boys lining up for Nerang, the line up looked a little imposing, and they ran through us at half time, Tyrone the only player standing tall. After a sterling talk at half-time saw the boys come out

with a much more sterling effort. Ryan Hinde led from the front as captain and Josh Breen, Ravel Naidoo and Josh Pascoe all stood tall with strong forward runs. We won the second half 4-0 after being down 30-0 at half time. Thank you to Tyrone and Joshua for playing for us and Nathan Breen for playing up from the under 12's. A bye this week but keep up the good work boys.

Under 16 Premier V Currumbin Score: 46 - 4

In a game when we welcomed 4 of our Gold Coast Viking players back into the team for season 2011, the boys couldn't have played any worse in the first half. We made way too many errors & a completion rate I hope I don't see again for the rest of the year. I have a feeling the boys thought they could just run out & it would be a walk in the park for them. They didn't realize that the opposition came ready to play & that they would have a battle on their hands. The only positive in the first half was the strength of our defence in the middle. We were able to keep them scoreless even with a man off in the bin. We managed to

score our first points late in the half with great lead up work from Brandon Mahon who raced away 50m down field only to be brought down 35m out. Then Haare Tumai picked up the ball & beat 4 players with a step, dummy & acceleration to score a great try. In the second half we came out with a different attitude & started to play the way I know we're capable of. With our completions improving dramatically we were able to build some pressure & get some momentum through some good charges from Josh Quinlan, Scotty Casselle & Jake Fitzgerald. This helped lay the platform for our backs Brodie Kane & Haare Tumai to cross for 3 more electrifying tries between them.

The confidence was back & the passes were sticking with our lock Brandon Mahon proving a handful for the opposition to cross for 3 superb tries & to ultimately win our man of match award with a solid all round performance. He was well supported by captain Daniel Schwass who led the team around with some clever kicking & neat passing & who also managed to cross for a 4 pointer. Special mention to second row Jordan Towns who put in an exemplary defensive effort in his first full game of the year. I'd like to think we learnt a valuable lesson from last week and to make sure where ready to go when that whistle blows this week.
SCOTTY AND NEIL

Under 16 Division 1 V Parkwood Score: 14 - 18

Yeah finally have a full squad to put on the field. the last few weeks has been hard on the boys having to play with a bare 13 or less. This week the team slogged it out with a very verbal Parkwood side unfortunately they converted their tries and got the win. Our team competed for the full game showing that we have the ability to score points. Once again the little mistakes cost us with too many handling errors,

not moving up in defence and that some of those 50/50 decisions didn't go our way which could have been the difference in the end. Special wrap goes to Jake Laycock (wig) scoring his first try. The attitude is up and team is ready to show what they can really do.
Thanks,
