President's Update

A Saturday off from home games and the break gave everyone the chance to relax and be a spectator for the day at whatever ground they were at.

Results over the weekend were a bit disappointing with a number of our competing age group sides not performing as anticipated and obviously ending up with a loss. It's getting to the business end of the season and after a long season, we need to keep our focus on the end result. Hopefully the holidays and a week off from training for most everyone will be just the freshen up that we all need.

It's always good to go to other grounds and see how they run things and be able to compare their operation to ours. Let me tell you we do pretty well in all areas. We regularly receive compliments from other Clubs in regards to our atmosphere, friendly and professional manner in which we run our home games.

The sad part about it all is despite the good work done by our people you will always get a couple from visiting sides who think that they are bigger than the game and come with a bad attitude. Normally if these are on the coaching staff, our registrar volunteers or Duty officials in the middle of the park along with the referees are the ones that bear the brunt of their ignorance and bad attitude. It happened again on Friday night where a coach from Beaudesert took it upon himself to launch verbal abuse at the girls in the Registrar's Office because an anomaly in the draw and refereeing appointments meant that we had to run 15 minutes late on Field 1. Mind you this had nothing to do with the Redbacks, not our doing at all. This clown,

and I could think of harsher words to describe him, however will not go down that track, who due to his experience should know much better, carried on a treat, used foul language and demanded this and that. No amount of explaining as to why we had to run late was satisfactory for him and he ranted and raved for some minutes. He then had a go at Joseph Haddad in the centre of the field and again carried on like the goose he obviously can be.

I certainly hope that we don't have any people in our Club that are prepared to carry on like that over a 15 minute delay which was out of our control, or for that matter, any other reason.

I also had a complaint from a Burleigh Bears mother who complained about the alleged aggressive music playing for our sides and the soft music being played for the visiting sides on Mudgee Day. She also went on to have a go at our kids for having some celebrations after scoring tries and or at the end of the games. For goodness sakes, get a life.

As I explained in my response to her the good part about junior sport is that the kids forget about what happened on the field pretty much as quickly as they walk from the field. The bad thing is that parents don't and some obviously have too much spare time on their hands to conjure up complaints because their side who may have been used to dominating others for so long came up against a talented Redbacks side who gave them a pasting!

Again, I hope that we don't have

any parents who need to carry on like this amongst us either. The right way to make any complaint is in writing through your team manager, who in turn will ensure that the correspondence is forwarded to the Management Committee for further action.

Anyway, beyond that we move forward with no games this weekend, however Round 13 will occur on the weekend of 8, 9 July (last weekend of School Holidays).

There is no training scheduled for this week and the Football Office will be unattended. For the older sides check with your individual coaches to see if they have arranged anything different than the above. Normal training will resume on Tuesday 5 July.

Individual and Team photos have been booked for Tuesday 19 and Thursday 21 July so make sure all the kids are back for training on those dates. We will be supplying a team photo schedule to the managers next week.

Finally on a very sad note, one of our long standing members, Steve Scott passed away last week. Julie was a member of the Committee for many years and Sam played with the Club for 12 seasons. On Friday and Saturday most teams played with black armbands as a sign of respect for Steve. Our thoughts are with Julie and the kids.

Have a good holiday, relax, freshen up, be safe and we will see you next week.

Cheers,

Matt Kenworthy
President

PLEASE NOTE

- Parents are reminded that we require volunteer assistance with set up, pull down BBQ and raffles.
- Each Team must provide at least 3 Duty Officials for their game. They are to wear fluoro vests which are to be collected and returned to the Registrar's Office or Timekeeper's table by the team Manager.
- There are a number of visiting team games and we will have to assist with Duty Officials so please do so when requested.
- Players must be aware of the time that they are required to be in attendance prior to their respective game time.
- Coaches and Managers are reminded that sign on sheets must be completed for each game so please have your team lists up to date and your photo cards with you.

SPECIAL MENTION

Congratulations to the following players
who have been selected in U12 Schoolboys Rep Teams
competing during the school holidays

JAKOB SCHIMKE

South Coast Team - U12 Schoolboy State Championships
held at Wynnum Manly

REECE BUTLER - BRENTON SUMNER - XAVIER TOIA

Gold Coast Team - U12 Zone 4 Carnival
held at Nerang

Everyone at the Redbacks is very proud of you all
& wish you luck at the carnivals!

Match Reports

Under 7 Red V Nerang Blue

Played a really good game against Nerang Blue on Saturday morning. Our defence was outstanding with all the boys putting in plenty of tackles. Congratulations to our player of the match, Logan who had some great runs up the centre of the field and tackled extremely well. Also Shannon, great job on captaining the team, the game flowed really well and everyone was spreading out when it was our play of the ball. Hope everyone enjoys the school holidays and

see you back at training on Thursday 7 July.

Under 7 White V Runaway Bay Red

18th June 2011

It was another beautiful morning and great to be playing on home soil once again.

Jaxon scored the first try of the game and provided many fast and lengthy field runs. Brodie also ran great lengths with tackles and an amazing offload straight to Noah who scored a great try.

With the coach off the field in the 2nd half, it was great to see the amazing teamwork shown by all and listening to team captain Noah. Jesse had a lengthy run also resulting in another try for our mighty whites and great

defence was displayed by Taj, Khy and Jesse. Another great game to watch and fun was had by all. CONGRATULATIONS: Player of the Match: KHY THANK-YOU to our U7 WHITE parents, Shane, Wayne, Jenny, Jodie, Sharyn for helping out with the Jumping Castle duties and also Michelle who helped out with the BBQ. Much appreciated guys!!

25th June 2011

It was a case of de-ja-vu for our "Mighty Whites" this week, playing Runaway Bay Red for the 2nd week running, difference

being the Bay had the home advantage this week.... A big kick-off from Noah. And great defence by Tyrell, Jesse and Noah. Molly made her move early in the game with an amazing offload to fellow "Redbacks" as our kids showed great strength in our defence. Jaxon and Taj had a few good runs and Brodie showed he wasn't going to let the team down. With Tyrell and Noah each scoring try's with great field runs and teamwork by all our team. CONGRATULATIONS to our 2 Player's of the week.... NOAH & TYRELL

Under 7 Grey V Burleigh Maroon

Today we played Burleigh Maroon at Burleigh and I was so impressed with all the boys' efforts.

A few of the boys' have battled sickness this week but with true commitment to the team they all showed up and played a fantastic game. Huge thanks to all the parents for allowing the boys to play today whilst some were not well.

The boys are really playing well as a team, and the skill level of all the boys is really showing through. The boys are all playing with more confidence. There was a lot of good

tackling and ball control today as well. We would like to thank Josh from Under 7 Black for helping us out today, he was a valued member of our team. Once again thanks to all the parents for their continued help and support, because along with the boys the parents and helpers are also a valued part of our team. Enjoy the holiday boys, well deserved and see you in a few weeks time.

V Burleigh Maroon

Up against another Burleigh side this week and we all know how strong their sides are so expected another tough game, to add to this we were at Burleigh which always makes for a tough ask and unfortunately we also had to contend with the Maroons having an extra person and playing to one sided rules, pleased to say the boys rose to the occasion. We dominated and never really looked in danger, the longer the game went on the more we broke them open, if it wasn't for

some wrong options and mistakes on attack we would have really ran away with the game. Most of the boys were superb, in particular our defence has really improved and we are really hurting sides and stopping them from getting any momentum. Cooper in particular had a great game, made some great tackles around the laces and carved them up with his running. At times we really struggle to hold the ball on attack but with a strong defence we are getting more opportunities to try things. When we play at speed we look really good and this is

generally when we score points. Ryan and Dorion had great games, Nathan Richards is starting to get back some form and really waiting for that day when Michael can concentrate for longer periods because he will also be a handful. Well done lads a good effort in trying conditions.
PETE & MARTY

Under 10 Red

V Helensvale Silver

A pretty easy run against a Helensvale side who had a few talented players but seemed to be pretty new to the game. They certainly had some pace and size but our boys were just too enthusiastic in defence and clever in attack. Helensvale snuck down the left hand wing late in the game and scored a well deserved try, however that was in answer to the 14 or so that we had already scored. Its always tough to keep the lads on track in these sorts of games and this is a price we pay for not grading teams or grouping

known strong sides at this age group. It really doesn't do too much for us as a team as the lads understandably get a bit selfish and want to score tries themselves. It doesn't do too much for the other side either as some of the kids will not really want to front up again next year if this is what happens to them week in week out. Anyway its not to be so we will continue to use these games as more or less training runs for the boys to perfect their game plans and moves in time for the Under 10 carnival in the last round of the season. Everyone had a good game, we had no

reserves and it was good for the lads to play a full game. Defensively we were again very good, with only the one lapse. In attack we performed our moves and standard plays when we got the opportunity to. We scored from the kick off on a number of occasions and in the end were kicking off to the other side after we had scored so that they could actually have the ball and we could defend. It was another good game by the boys, well done.
Cheers,
MATT, ANDREW, SCOTT & JANELLE

Under 12

Match Reports

Under 13 Premier V Currumbin Score: 14 - 4

Our closest win for the season and at times I was very concerned. It was not a pretty win and I don't think we would ever have won nicely when we are up against a 15 - 2 penalty count, with 2 minutes to go. I don't like having a go at refs, however I do not believe that we have played as well as we have all season, had the discipline to win every game by close to 30 or more points by giving away that many penalties. We were not that aggressive, undisciplined or lazy to have been caned by that much. Coincidentally the majority of those penalties occurred either on the oppositions fourth or fifth

tackle or our first. This made our entire game disjointed and frustrated. Defensively we were great. We withheld everything that Currumbin threw at us with the exception of their centre scoring out wide on the left hand side in the first half. Beyond that we contained them to their half for most of the game and they really never looked like breaking our line. In attack we made a few handling errors on early tackles and this let us down when we were in good field position. They compressed their defence and our forwards didn't really adjust to the alternate game plan of running wide. We need to be able to adjust quickly and have alternate options as we move into the harder games of the season as the

other sides will be gunning for us big time. Anyway, we are still undefeated and we now have a fortnight off with the holidays and a bye so the lads can freshen up and come back relaxed and raring to go. Great game by Brent Woolf who was in everything and he was supported well by big Ethan Paikea. Well done lads. Enjoy the break.
Cheers
