## President's Update

Another great weekend of home ground footy at the Spiders Web, Firth Park.

I took the opportunity to watch some of the younger age groups on Saturday and it is exciting to see the talent that we have coming through in the younger age groups. Our future certainly looks bright from what I saw as there are some pretty talented young lads coming through the non competing age group grades.

Add this to our current standings in the competing age groups and everything is falling into place nicely for the Redbacks. I am not sure whether you all understand the enormity of the Presidents Cup results for our Club. Out of a possible 7 Division 1 or Premier grade age groups we competed in 3 of those. We won 2 of them and narrowly lost the third. These are the results that we are looking for and they will become more frequent over the next few years.

Congratulations to our U16 Kookaburra Reps who have just been named, Brandon Arena, Corey Featherstone, Haare Tumai, Riley Treadwell and Jordan Towns. Great work fellas,

I am led to believe that a couple of you were very unlucky not to have made the Queensland side so keep up the good work.

What about this one for a feel good story. Our U16 Premier team was playing Ormeau at Ormeau last Saturday afternoon. Ormeau's canteen volunteers dwindled down to 1 and the poor dear was getting hammered behind the counter. In jumps another lady and starts helping, selling, cooking, cleaning whatever was required. An hour or so later the Ormeau people realise that the good Samaritan is not one of them but a Redback mum, Karen Kane.

It's great to be a Redback when we have people like Karen and lots of others who do things like this to give us the good name that we have around the Gold Coast. This is one of the reasons why we have lots of interest in players or parents wanting to come to our Club. Ormeau's president, John Coulter, was glowing in his thankyou to Karen for her assistance and I am happy to pass it on and give her a big wrap.

Well done Karen great job!!

Another thing I noticed on the weekend is that our Duty Officials still need to be a bit more pro-active in checking blue cards, bench behaviour and ensuring that people who are not authorised are not inside the roped area (unless it is for one of the mini games where we allow them to get a bit closer to the field). I regularly wander around the ground and quite regularly end up in a heated discussion with visiting parents, officials as they are not doing the right thing and get asked to do so or move on. Please remember that as a Duty Official you have a role to play.

Moo Poo is coming up and I hope you have all got your tickets for the big draw. Don't leave it too late and miss out.

That's about it for this week, another week of home games both Friday and Saturday. Good luck to everyone and see you over the weekend.

Cheers,

Matt Kenworthy  
President  
MRJRLC

## SPECIAL MENTION

Congratulations to the following Redbacks who have just been announced SEQ U16 Kookaburra Rep Players:

Corey Featherstone, Brandon Mahon-Arena,  
Jordan Towns, Riley Treadwell & Haare Tumai

Well done and good luck at the State Carnival in 6 weeks.  
Everyone at the Redbacks is proud of you!

## Round 9 Draw

### PLEASE NOTE

- Parents are reminded that we require volunteer assistance with set up, pull down BBQ and raffles.
- Each Team must provide at least 3 Duty Officials for their game. They are to wear fluoro vests which are to be collected and returned to the Registrar's Office or Timekeeper's table by the team Manager.
- There are a number of visiting team games and we will have to assist with Duty Officials so please do so when requested.
- Players must be aware of the time that they are required to be in attendance prior to their respective game time.
- Coaches and Managers are reminded that sign on sheets must be completed for each game so please have your team lists up to date and your photo cards with you.

## Match Reports

### Under 7 Red V Currumbin

Well done to the boys on the weekend, first full game with no coach on the field. They handled themselves very well, with Bayly leading them as captan. It was a very evenly matched game played against the Currumbin Sea eagles. The boys have learnt a lot and will now be ready for the dummy half run on the last tackle, which got Currumbin over the line on numerous occasions. Well done to our player of the match Jayden, who scored a great try and was outstanding

in his defence.  
Keep it up Boys.

SHAUN

### Under 7 White V Burleigh Gold

As the weeks have gone by, we've watched our U7 Mighty Whites go from strength to strength. What an exceptional game our team played against Burleigh Gold on the weekend. Scoring try after try their confidence and skill just grew and grew with each passing minute. With many multiple try scorers this week Noah (4), Molly (2), Jesse (2), Tyrell (2), and Jaxon taking his 1st dive over the white line. Also massive 1/2 and 3/4 length field runs and amazing defence was shown by the whole team.

Absolute cracker of a game team....  
CONGRATULATIONS :  
Player of the match, Brodie - who was also our trainer of the week - GREAT JOB BRODIE.  
ALSO...a BIG "THANKS" to Andrew Carlstedt (Molly's dad) for representing U7 White and setting up our field on the day.  
Much appreciated Andrew.

### Under 7 Grey V Ormeau White

Today the boys enjoyed getting back out and playing footy after the week off. This week we welcomed a new player to our team Tyler Downes. Tyler showed up early ready to get started and showed some great promise in his first game. The game today was against the Ormeau White team, who put up a great fight. Our boys are improving each week, and the skills being learnt at training are now starting to show on the field. The boys are all getting more confidence with their own abilities and are happy to

get in there and have a go. There were some great defensive tackles from our boys, who chased down the runners to stop tries. Our team would like to say a huge thanks to Kye, Kadin and Jhett from the Under 6 team who helped fill in for our team this week. Big effort boys for backing up after playing for your own team to help out our team, very much appreciated. The man of the match award this week was given to our new player Tyler and the most improved player went to Tyrone. As the coach I am so impressed with the boy's commitment and

enthusiasm that they each bring to training and the game each week and would like to thank them for that. Lastly thanks also to all the parent helpers of the team too.

MATT

## Match Reports

### Under 8 Grey

#### V Runaway Bay White

Another great week by the boys, with a slow start in defence the boys didn't take long to come good and focus there was some fantastic tackles from Zakk, Nic, Bryn and Darcy followed by a hard running line up from Jack, Ej, Jake, Locklan and Ngariki overall the boys pulled together, played well and had a great time.

Well done boys

### Under 9 Black

#### V Jimboomba

The boys played very well in fact this was easily our best performance of the season. The opposition struggled with the pace that we played at and the boys are really starting to move the ball around. We still have some issues in defence and really need to work on our tackling for when we come up against some stronger teams. We are really getting some depth and width in attack and this is why we are creating so much. Some wonderful tries in particular the two when Ryan

kicked across the field and scored out wide by Nathan Eedy and Cooper. Well done Sam on a couple of great runs, overall everyone played well and most players had some good runs. I thought Ryan and Daniel played really well together and distributed the ball well, Dorion ran straight and hard and a couple of his tackles were really bone rattling so much that their coach starting complaining from the line then sent his water runner on express their concern to the referee!

MARTY& PETE

### Under 10 Red

#### V Ormeau White

A very good display by the boys on the weekend against what we thought was going to be a bit of a tough game. The Ormeau boys tackled pretty well early in the game, however seemed to drop off as the game wore on. On the flipside our defence was sensational. Their ball carriers were forced backwards and put on the ground with more than one player in just about every tackle. On occasions the swarming defence was intimidating the Ormeau lads and they made errors or ran backwards. It was very pleasing to see the boys use their signature moves on

numerous occasions. They are now continually running block plays which is giving the ball carrier a bit more time and space. As they get older they will understand the full value of having option runners and changing lines etc. It is interesting to hear them talk about it and then see them put it into action. We got over the white stripe on something like 18 occasions in the 40 minute game and some of the tries were very good teamwork tries, with multiple passes and good backing up. We are teaching the boys to try and not be selfish and whilst it is hard for young lads to not want to score themselves on some occasions

they all have done some very unselfish and good things with the ball. I am very proud of their achievements and after watching their latest game on video you can see all of the good things they do and it is quite special. Well done boys keep up the good work. Well done to Alex "chief" Carlstedt who was this weeks MVP.  
Cheers,  
MATT, ANDREW, SCOTT & JANELLE

Revelstone Stud

## Match Reports

### Under 10 White V Nerang

The season to date has been stop start with very few training sessions and I can't remember when we were able to train twice in the one week with this new team. However round 8 saw our boys play their best footy for the season to date, whilst the result did not go our way, the team played with pride and we competed for the full forty minutes.

Justin was our captain today and led the team well from the front, our forwards Connor, Jonathon, Riley, TJ, Jacob and Liam A, made plenty of meters up the middle in attack, running straight and hard with lots of commitment which

allowed for our halves Sam and Kaleb to work our moves either side of the ruck with Lachlan giving quick ball from dummy half, which was giving the Nerang boys plenty of trouble. Our backs were able to capitalise for some great tries with Kye Meizer scoring our opening try and his first for the season along with Sam and Riley, Liam O was unlucky on several occasions not to cross for a four pointer however he was able to convert our first try with a great kick.

Our defensive line was tested in the third quarter by some questionable decisions which lead to the opposition holding good field position and eventually breaking our line after sustained

attack, Kaleb and Liam O affecting some outstanding defence to save certain tries. The commitment in defence was our best of the season.

We have the makings a very good side and if the boys continue their improvement the score board will be a better reflection of their efforts and improvement. Our game awards could have gone to anyone today, with most of the lads having their best game this season. Thanks goes to John Kennedy for running the water today and supporting the boys. Most Improved – Jacob Webb  
Coaches Award – Sam Schimke  
Big Play – Kaleb Kennedy

Under 12

Under 12

## Match Reports

**Under 13 Premiers**  
**V Helensvale**  
**Score: 18 - 6**

This is the one we needed to get over & we did. No matter what the score is, our games against Helensvale are always very physical & this one was no different. Without 2 of our regulars & another 2 who are qualifying in the lower division, we went into the game with 3 new players from the Div 2 side & 2 U12 lads. Most of these have never trained with us. We needed to step up & this is just what was done. Big Ben Fisk wore himself out & did a great job, Marty Arthur did exactly the same. Jack Nelson had another huge game until he dislocated his thumb late in the game & the mighty midget, Will Morris, played very well until he injured his knee. Lochie played very strongly & Duncan Harding was again the

standout. Kyle Williams stood in at halfback & did a good job whilst Jaylan Koehler & Sam Clark were very strong in defence with Sam doing a fair bit of work with the ball as well. Well done to Brendan on the wing & Aiden, when he came on, was very strong in defence. Our Under 12 visitors Brenton & Bodhi played as if they had been there all year with Brenton pulling off some bone crushing tackles against the biggest Helensvale players & then making a 40 metre gain in a great run. It was a good win, 4 tries to 1, however quite easily could have been a lot more had we taken a few different options. We are still not looking from dummy half & it appears that there are too many overcalls on the field. The video identifies where we could have taken very simple options which would have put us into a try scoring

opportunity with a couple of quick passes. This is where we need our 7, 6 9 & 1 to have vision to see where we should be on the paddock & where we should be heading. We try & use battering ram tactics too often when we really just need to use a quick spread of the ball to the side where we have the overlap. Open up your eyes lads, its great to have a pattern or a set to work to, however sometimes you have to play what is in front of you. As I said it was a good win & it continues our undefeated run & ticks off another one of our goals. We move on to another challenge this week against our old foes Burleigh. Looking forward to it. Keep up the good work lads. Cheers  
 MATT, HAGRID, STEVE & JO

**Under 13**

**Under 14 Black**  
**V Runaway Bay**  
**Score: 4 - 26**

The boys had a hard night again on Friday with no reserves. We started well and we were on top early. We struggled to use our shoulders in the tackles as we tired, and this let them run through us. We had to play with 12 men for part of the game which made it very hard, there was some courageous efforts from all the boys especially by Ayden & Hayden who showed some real toughness by getting up from

these big knocks. Good to see Milo running hard & bending the line, the two Zack's on the edge put on some good moves. Ryan slotted in well playing hooker. Good enthusiasm once again from Matty G. Well done boys. We really missed Josh's tackling in the middle, cant wait to get you back mate, bad luck about breaking your toe.  
 SIMON, RASSIE & LANCE

### Under 15

### Under 16 Premier

### Under 16 Division I V Tamborine

Friday was a night for the boys to prove to themselves that they are the team to be wary of in this comp.

The game was a hard slog for the first 20 minutes with neither side dominating but thankfully we managed some repeat sets at Tamborine's end of the field which allowed our halfback Henry Garrett to take the line on and step through for a sensational try under the sticks. Unfortunately our kicker stumbled on the uneven ground to miss a sitter.

After this we made too many simple errors that could have given us the lead into the second half but we just ran out of numbers and let Tamborine in to lock up the scores. The second half the Bushrats tried their best to run us over with their big forwards but boys dug in for a slog and smashed them in defence the whole team stood up Jake and Jaiden where stand outs with some of the biggest hits of the night. The boys should be proud of their game and there is only one way now . . . Up!  
Thanks again to our supporters

and the coaching squad.  
RUSSELL
