President's Update

Great to see all the lads turn out last week & have a game of football. We even snuck in a game each for the U8's who had their mothers day carnival postponed till this weekend. I am sure that everyone will have a great day out at Jimboomba, they are a very hospitable Club & they are looking forward to being able to host this day for all the visiting teams.

A few wins & a few losses over the weekend with those competing age groups & a lot of very good efforts in the younger age groups.

On Monday our Coaches attended a Junior Pathways Clinic which was hosted by the Gold Coast Titans Development staff & it was good to see so many of our Coaches in attendance. The main thrust on all of it is to educate the kids in the core skills of the game & not concentrate on the winning aspect. Winning is a by product of skill development!

As a Club we took on this thought process a few years ago

& this is why we supply the training aids that we do & try & get our coaches skilled as much as we do.

A player will only learn as much as the coach can coach them, therefore if our coaches are well versed, well educated & have the correct attitude then our players should learn well. As they learn & their skill & technique levels increase so do the opportunities to win.

Anyway, good to have the Coaches together as a group & getting some further education.

We got knocked back by Council in our request to place 4 - 6 temporary aluminium 3 tier grandstands on the concrete areas on each side of the Redbacks office. They are suggesting we can look at the concrete step arrangement similar to that erected on the Netball side of the complex. We obviously don't have the money for all of that, however we do have people in our Club who could possibly assist us in perhaps doing the earthworks,

supplying concrete & of course we can all pitch in as labourers to get it done. Any takers??

A week off for everybody, except the U8's and those 3 teams that are competing in the Presidents Cup on Friday & Saturday. Congratulations to the Under 16 Prens, Under 13 Prens & Under 12 Div 1 teams as they will be out there doing the Spiders proud! Good luck to each of you, enjoy the atmosphere & hopefully the victory.

It would be great to see as many people out there (Southport Seniors Ground) in their red & black gear as possible. Under 16's Friday night 7.15pm, Under 12's 10.30am Saturday & the Under 13's 1.30pm Saturday.

Have a good week see you all at Southport & go the Redbacks!!!

Cheers,

Matt Kenworthy

Match Reports

Under 7 Red V Parkwood

Well done to the boys playing Parkwood on the weekend. Good to get back on the field after the Easter holidays. There was some great offloads with the ball being passed about to supporting players, resulting in some awesome tries. Well done to our player of the match Tyson, with some great runs.

Under 7 White V Currumbin

After a few weeks off due to wet weather, it was great to see the sun shining and allowing our team to get back on the field and do what they enjoy. All our U/7 White team worked together to show great skill and gaining confidence on the field. Jaxon had a great run ducking and weaving through the opposition, but was stopped just short of the try line. Noah & Tyrell both scored some great tries and Jesse provided many awesome defence

moves. Molly had a big almost 1/2 length of the field run only to be knocked out of the sideline. With Khy, Brodie and Taj running forward now, our U7 White team look to be on the way to playing some awesome football.
CONGRATULATIONS to player of the week – NOAH

Under 7 Grey V Runaway Bay Blue

Today the boys enjoying having the home ground atmosphere whilst they took on the very enthusiastic Runaway Bay Blue team. It was a very physically encounter for the Mudgeeraba grey side who up until now had not faced off with such a professionally trained side. The whole team put in a gallant effort and would like to make special mention to the three under six players who backed up and helped our side out. Ryan Nichol, Kadin Meehan and Isaiah Scanlan had all played the game before ours but were

only to happy to keep on playing for our side. The man of the match award was given to Calvin Dunn and a special award was also given to Hudson King for his great defensive effort. The boys are all showing great improvement and are really enjoying playing as a team. Thanks to all the players and their parents and all the helpers of the side.
Kind regards,
MATT

Under 8 Grey V Helensvale

After a great training week the boys were ready to go, and with Zakk scoring in the corner after 5 minutes the boys were pumped.

The defence from Ngariki, Lachlan, Jake Bryn and Ej was solid and hard to crack, then followed with an attacking line up from Nic Darcy, Jack and Zakk the boys made the game challenging.

The boys played a great game and more importantly they supported each other one

every play.
Tries by Zakk, Bryn, Jack, Darcy, Ej and Nic
Well done boys!!!
Player of the match was awarded to Lachlan

Under 9 Black V Runaway Bay Gulls

What a difference a week makes! From the start we played as a team, we tackled in numbers and we moved the ball a lot quicker which meant we spent most of the game on the front foot. A number of players had good runs and a lot of this was created through Ryan taking good options. With some good hands and movement we got the ball out wide which was really pleasing to see. Lachy had his best run, Nathan Eedy had a couple of

great runs, scored a try and even got involved in a couple of tackles. The last half of the game we completely dominated and we scored a number of tries, at times we still seem to go to sleep and drop of tackles which we need to address otherwise we will get punished by other teams. A couple of players still seem to be a bit lost which we will address over the following weeks but overall a big improvement. Well done lads.

PETE & MARTY

Under 10 Red V Jimboomba

Again the lads played very strongly, however the Jimboomba team was not too much of a match for us and we again scored many tries. Defensively we were very solid and on most occasions drove the Jimboomba runners backwards when they did have the ball. We still made a few too many errors in the first half, with dropped balls and jersey grabbing being the major culprits. We need a few hard hitouts to make the boys understand that there are teams out there who will bring it right to us. It is pleasing to see that we are now

supporting each other a lot more and some of the multiple phase plays look pretty good from the sideline. The boys are calling their plays and are putting on the moves that we practice at training, so you cant ask much more than that. Too hard to mention everyone as there isn't anybody who didn't really play well, however Thomas had a real good game and got our MVP trophy for the week. Well done lads!

Cheers,
MATT, ANDREW, SCOTT
& JANELLE

Under 11 Conference 2 V Nerang Score: 10-10

Another great display by the boys against a large Nerang side. Defensively we were not with it in the first half and let them through twice to score, however this did not dampen their spirit. After an inspiring team talk and half time the boys started to communicate well and showed Nerang that they weren't going to give up. There was some

great solid straight running by Zac, Matt, Jacob, Aaron, Ross and Liam. With Jack, Kealy, Tom, Doug and Trent backing the boys up they were able to perform some great off loads and allowed Kealy to score in the corner. Then with some great defence from Jayden, Brayden, Mat, Alem and Ross we forced a turn over and were on the attack again. With 5 minutes to go and 4 points down the boys

had to work hard and with fast passes and great hands, then a grubber into the corner for Lochlainn to score, this brought the score to 10 all at full time. Great effort boys. Player of the match went to Liam.

Under 12 Division 1 V Burleigh Maroon Score: 28 - 4

It was nice to knock off the premiers from last year with a convincing win – the score was a little flattering to Burleigh because we did not kick a goal and scored 7 tries! It was another solid team performance with some sparkling attack and committed defence.

Jakob Schimke, whose height belies his might, was our man of the match – it was a superb performance from the mighty midget – he was everywhere and into everything – the smile on his face after scoring his try against his old club was priceless! Well done Jakob.

Joel 'Garner' Lonsdale also had a great game, scoring 2 tries and defending like a demon. Xavier 'X' Toia played extremely well with some great runs and punishing defence. Reece 'Rhett' Butler had a big game with some fantastic defence when we needed it and was incisive in attack. The Missile, Brenton Sumner, chimed in with some great runs and a nonchalant try that looked liked a jog in the park!

Well done boys and we are ready to take on Nerang in the Presidents Cup – both teams are undefeated and very little separates the 2 sides – hopefully we can inflict their 1st defeat and bring home the silverware for the club!

Under 13 Premier V Nerang Score: 46 - 10

Nerang came out with all guns blazing from the start and their defence was very good and they tried to be intimidating in the early minutes. They were slick and after we dropped a ball on our fifty and then gave a penalty away in our 30 they were able to score a cheap try in the corner. This was a bit of a wakeup call to the boys, however we continued to drop the ball and there was a lot of missed or drop off tackles which gave Nerang the thought that they would be able to compete. Luckily we composed ourselves and got back to our plan. We were

able to score four (4) tries in the first half and at the break led uncomfortably 18 -10. The mistake rate in the first half was high and we were very lucky that scrambling defence and a great chase over 60 metres saved a certain Nerang try. The half time huddle was an interesting place and as we know what happens on the field stays on the field so what was said will remain there, however it obviously had some effect as the lads tightened up and the mistake rate was reduced considerably. We defended very strongly and got back to how we play the game. We scored another 28 points to nil in the second half and this came from a much

improved kicking game and the fact that we kept going forward and backed each other up. Our play the ball was good and this gave us the momentum to make lots of yards. All in all another very good display from a team who is slowly realising their potential. The good thing is that we still have improvement and everybody seems to be having a good time out there. Another big one this week lads, well done so far and lets make it a huge game in the Presidents Cup against Bay. Too many good players however our MVP was shared between Brent Woolf, Jack Nelson and Ethan Paikea. Cheers,

Under 16

Under 16 Division I V Currumbin Score: 24 - 6

The boys finally cracked it! U16 Div I recorded their first win for 2011 and it won't be the last!

The first 20 minutes of the game was spent in the Eagles 20m zone and we frustrated ourselves by making errors early in the tackle count. Once Henry and Luke calmed the team down the points started to flow with some well constructed tries.

In the second half the Eagles

came out and tried to intimidate us, but we put an end to that with a length of the field try, scored by Mack, which put the nail in the coffin for the Eagles.

The team showed throughout the game that if they play as a group and use what we do at training they can dominate the game.

Now we need to take this win and build on it and produce more consistency in our games. A big thanks to the U15s who backed up after their game to help us out.

It's good to see Mudgee boys helping their club mates out when they are needed. Thanks also goes to the crowd on the hill that help fire up the boys.
